The Honorable Wayne Turner, Former Bourbon County Property Valuation Administrator
The Honorable Lauren Denisston, Bourbon County Property Valuation Administrator
Paris, Kentucky 40361

We have performed the procedures enumerated below, which were agreed to by the Finance and Administration Cabinet, Department of Revenue (DOR), and the former Bourbon County Property Valuation Administrator (PVA), solely to assist you with the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts for the period July 1, 2017 through July 31, 2018. PVA's management is responsible for the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the former PVA had a receipts ledger, a disbursements ledger, and reconciled bank records to books each month. Re-perform the year-end bank reconciliation (July 31, 2018), for all bank accounts, to determine if amounts are accurate.

Finding -

The former PVA had a receipts and disbursements ledger. The former PVA conducted monthly bank reconciliations. The July 31, 2018 bank reconciliation was accurate.

2. Procedure -

Confirm all payments by the city to the former PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the former PVA has accounted for all city receipts.

Finding -

3. Procedure -

Confirm all payments made by the fiscal court to the former PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the former PVA's local bank account.

Finding -

Payments made by the fiscal court to the former PVA have been confirmed. The budgeted statutory contribution by the fiscal court compared favorably to the legally required amounts calculated by the Department of Revenue. The fiscal court payments were traced from the fiscal court statutory contribution budget to the former PVA's local bank accounts and the receipts register.

4. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

The selected disbursements agree to paid invoices or other supporting documentation and bank records. Disbursements were determined to be for official business.

5. Procedure -

Compare capital outlay disbursements with supporting documentation, bank records, and proper purchasing procedures. Observe newly acquired assets. Determine if assets were added to the former PVA's Capital Asset Inventory List.
