SUMMARY OF PROCEDURES AND FINDINGS

**AGREED-UPON PROCEDURES OF THE
ADAIR COUNTY ATTORNEY**

For The Period July 1, 2022 Through June 30, 2023

The Adair County Attorney received an Agreed-Upon Procedures (AUP) engagement for the period July 1, 2022 through June 30, 2023. AUP reports present the procedures performed and the results of those procedures, called findings. The summary below presents those findings for which an exception (an instance of noncompliance with the criteria) was identified during the AUP engagement.

During the AUP engagement of the Adair County Attorney, the following exceptions were noted:

- All payments made by the fiscal court to the county attorney's office have been confirmed and traced to the official bank account. However, the county attorney does not maintain a receipts ledger; therefore, receipts were traced to the check register.
- All traffic safety receipts have been confirmed and traced to the official bank account. However, the county attorney does not maintain a receipts ledger; therefore, receipts were traced to the check register.
- All delinquent tax receipts from the county clerk have been confirmed and traced to the official bank account. However, the county attorney does not maintain a receipts ledger; therefore, receipts were traced to the check register.
- The county attorney does not maintain a receipts ledger; therefore, deposits tested were traced to the check register, deposit tickets, and the bank statements. However, the check register does not include the source on deposit entries.
- Disbursements agree to cancelled checks, supporting documentation, and were for official business. However, the county attorney does not maintain a disbursements ledger; therefore, disbursements were traced to the check register.

Findings related to procedures for which there were no exceptions identified, and official responses to exceptions are not included in the summary above but can be found in the full report. A copy of this report is available on the Auditor of Public Accounts' website at auditor.ky.gov.

An agreed-upon procedures engagement involves the APA performing specific procedures that the county attorney has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The Adair County Attorney is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representations regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.
