SUMMARY OF PROCEDURES AND FINDINGS

**AGREED-UPON PROCEDURES OF THE
BATH COUNTY PROPERTY VALUATION ADMINISTRATOR**

For The Period July 1, 2022 Through June 30, 2023

The Bath County Property Valuation Administrator received an Agreed-Upon Procedures (AUP) engagement for the period July 1, 2022 through June 30, 2023. AUP reports present the procedures performed and the results of those procedures, called findings. The summary below presents those findings for which an exception (an instance of noncompliance with the criteria) was identified during the AUP engagement.

During the AUP engagement of the Bath County Property Valuation Administrator, the following exceptions were noted:

- The PVA had a receipts and disbursements ledger. The PVA does not conduct monthly bank reconciliations.
- There were no receipts from the cities. PVA did not send invoices to the cities to collect proper payments. The PVA should ensure that proper payments are received from the cities.
- There were five instances in which proper support was not maintained, totaling \$3,150. In addition there was a total of \$635 in disbursements that are considered not for official business or not supported, therefore the \$635 should be paid back personally from the PVA to the PVA's official account.
- The PVA's agreement and contract payments do not agree to cost schedules and the payments are not up to date. The services received were appropriate, for official business, and properly authorized.
- Actual disbursements could not be compared to the final budget and it could not be determined if the PVA overspent in any account series because the PVA's disbursements ledger was not kept in sufficient detail to complete this procedure.
- The Bath County PVA spent 110% of county funds that were available during the first five months of the fiscal year.

Findings related to procedures for which there were no exceptions identified, and official responses to exceptions are not included in the summary above but can be found in the full report. A copy of this report is available on the Auditor of Public Accounts' website at auditor.ky.gov.

Independent Accountant's Report On Applying Agreed-Upon Procedures

Holly M. Johnson, Secretary, Finance and Administration Cabinet
The Honorable Jacky Watson, Bath County Property Valuation Administrator
Owingsville, Kentucky 40360

We have performed the procedures enumerated below related to the Bath County Property Valuation Administrator (PVA) compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2022 through June 30, 2023.

An agreed-upon procedures engagement involves the APA performing specific procedures that the PVA has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The Bath County PVA is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The Bath County PVA has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and findings are as follows:

1. Compliance Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2023), for all bank accounts, to determine if amounts are accurate.

Finding -

The PVA had a receipts and disbursements ledger. The PVA does not conduct monthly bank reconciliations.

(Continued)

2. Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the PVA has accounted for all city receipts.

Finding -

There were no receipts from the cities. PVA did not send invoices to the cities to collect proper payments. The PVA should ensure that proper payments are received from the cities.

3. Compliance Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

No exceptions were found as a result of applying the procedure.

4. Compliance Procedure -

Select one month (July 2022 – June 2023) and review bank statement to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued. Determine by inquiry of the PVA and scanning the receipts ledger if the PVA charges, issues receipts and deposits for all services provided.

Finding -

No exceptions were found as a result of applying the procedure.

5. Procedure -

Determine if the PVA has a change fund and document the amount of the PVA's change fund.

Finding -

The PVA has a change fund of \$25.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

There were five instances in which proper support was not maintained, totaling \$3,150. In addition there was a total of \$635 in disbursements that are considered not for official business or not supported, therefore the \$635 should be paid back personally from the PVA to the PVA's official account.

7. Compliance Procedure -

Compare capital outlay disbursements with supporting documentation, bank records, and proper purchasing procedures. Observe newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

No exceptions were found as a result of applying the procedure.

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

The PVA's agreement and contract payments do not agree to cost schedules and the payments are not up to date. The services received were appropriate, for official business, and properly authorized.

9. Compliance Procedure -

Compare the PVA's final budget to actual disbursements to determine if the PVA overspent in any account series.

Finding -

Actual disbursements could not be compared to the final budget and it could not be determined if the PVA overspent in any account series because the PVA's disbursements ledger was not kept in sufficient detail to complete this procedure.

10. Compliance Procedure -

Determine whether cash balances were properly transferred from the former PVA to the new PVA.

Finding -

Not applicable as no change in the PVA.

11. Compliance Procedure -

For PVA office employees hired between July 1, 2022 and June 30, 2023, determine if the Ethics Certification Form has been completed and is on file.

Finding -

Not applicable since no one was hired between July 1, 2022 and June 30, 2023.

12. Compliance Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

Finding -

No exceptions were found as a result of applying the procedure.

13. Compliance Procedure -

During county election years, determine if the property valuation administrator spent more than forty percent (40%) of the allowances available to the PVA's office from county funds during the first five (5) months of the fiscal year in which the general election is held. (KRS 132.590(12)).

Finding -

The PVA spent 110% of county funds that were available during the first five months of the fiscal year.
