SUMMARY OF PROCEDURES AND FINDINGS

**AGREED-UPON PROCEDURES OF THE
BELL COUNTY CLERK**

For The Period January 1, 2022 Through December 31, 2022

The Bell County Clerk applied for and received approval from the Auditor of Public Accounts (APA) to obtain an Agreed-Upon Procedures (AUP) engagement for calendar year 2022 in accordance with KRS 43.070(1)(c). AUP reports present the procedures performed and the results of those procedures, called findings. This summary is intended to present findings for which an exception (an instance of noncompliance with the criteria) was identified during the AUP engagement.

During the AUP engagement of the Bell County Clerk, the following exceptions were noted:

- The county clerk reconciles the bank accounts monthly. The county clerk's reconciled bank and book balance per her settlement and quarterly report does not agree to the actual reconciled bank balance.
- Based on the county clerk's quarterly report, excess fees due the fiscal court were recalculated and there are \$33,755 additional excess fees due to the fiscal court; however, the reconciled bank balance is \$11,458.

Findings related to procedures for which there were no exceptions identified, and official responses to exceptions are not included in the summary above but can be found in the full report. A copy of this report is available on the Auditor of Public Accounts' website at auditor.ky.gov.

**Independent Accountant's Report
On Applying Agreed-Upon Procedures**

The Honorable Albey Brock, Bell County Judge/Executive
The Honorable Debbie Gambrel, Bell County Clerk
Members of the Bell County Fiscal Court

We have performed the procedures enumerated below, which were agreed to by the Bell County Clerk, related to the clerk's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2022 through December 31, 2022. An agreed-upon procedures engagement involves the APA performing specific procedures that the clerk has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The Bell County Clerk is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose. The Bell County Clerk has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the clerk's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities. The purpose of the engagement is to assist users in determining whether the clerk complied with the specified requirements. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

1. Compliance Procedure -

Determine if the county clerk has a fourth quarter financial statement, a receipts ledger, and a disbursements ledger.

Finding -

No exceptions were found as a result of applying the procedure.

2. Procedure -

Determine that the county clerk's fourth quarter financial statement agrees to the county clerk's receipts ledger and disbursements ledger. Variances in total receipts or total disbursements that exceed 1% of gross receipts or exceed \$20,000 will be reported.

Finding -

No exceptions were found as a result of applying the procedure.

 The Honorable Debbie Gambrel, Bell County Clerk
 Members of the Bell County Fiscal Court
 (Continued)

3. Compliance Procedure -

Compare the county clerk's operating disbursements (fourth quarter or settlement amounts) to the budget approved by fiscal court to determine if the county clerk overspent the budget. Overages that exceed 1% of gross receipts or exceed \$20,000 will be reported.

Finding -

No exceptions were found as a result of applying the procedure.

4. Compliance Procedure -

Determine if the county clerk provided a settlement of excess fees to fiscal court by March 15, 2023 and determine if excess fees were remitted at that time.

Finding -

No exceptions were found as a result of applying the procedure.

5. Procedure -

Obtain a list of accounts prepared by the county clerk that are applicable to the current calendar year.

Finding -

No exceptions were found as a result of applying the procedure. The county clerk maintains fee and usage tax accounts.

6. Compliance Procedure -

Determine if the county clerk reconciles all bank accounts monthly. Re-perform the bank reconciliations for all accounts as of December 31, 2022, to determine the reconciled ending balances and if bank reconciliations are accurate.

Finding -

The county clerk reconciles the bank accounts monthly. The county clerk's reconciled bank and book balance per her settlement and quarterly report does not agree to the actual reconciled bank balance. The balances of the county clerk's accounts are:

Account Name:	Reconciled Account Balance:
Fee Account	\$ 11,458
Usage Account	\$ 0

County Clerk's Response: There was a transaction of \$27,607 that was coded incorrect, causing inflating revenues. There was a \$6,227 charge that was duplicated in error. We have corrected both transactions and now agree to the actual reconciled bank balance. (No money was missing with findings).

7. Compliance Procedure -

Determine if receipts are properly accounted for by comparing batched receipts to daily check-out sheets, deposit tickets, receipts ledger, and bank statements for a randomly selected week.

Finding -

No exceptions were found as a result of applying the procedure.

8. Compliance Procedure -

Determine if the county clerk prepared 12 monthly reports for delinquent tax. Test payments to districts for one randomly selected month's delinquent tax disbursements to confirm that payments were made timely, and disbursement agreed to the monthly report.

Finding -

No exceptions were found as a result of applying the procedure.

9. Procedure -

Judgmentally select 15 operating disbursements from the county clerk's records and agree amounts paid to invoices or other supporting documentation and cancelled checks. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.

10. Procedure -

Determine excess fees due to fiscal court by recalculating the difference between total receipts and total disbursements. Verify amounts paid to determine if additional excess fees are due to the fiscal court.

Finding -

Based on the county clerk's quarterly report, excess fees due the fiscal court were recalculated and there are \$33,755 additional excess fees due to the fiscal court; however, the reconciled bank balance is \$11,458.

Total Receipts	\$ 6,607,111
Total Disbursements	<u>6,483,356</u>
Calculated Excess Fees for 2022	123,755
Payment to Fiscal Court	<u>90,000</u>
Balance per Clerk's Settlement	<u>\$ 33,755</u>

County Clerk's Response: Clerk's Book Balance and Bank Statement matched. The reconciled difference is due to \$27,607 transaction being coded incorrectly, causing inflating revenues. There was also \$6,227 charge that was duplicated. We have corrected both issues and now we have a true reconciled balance. All correct fees have been submitted to the Bell County Fiscal Court.

13. Compliance Procedure -

Determine that the county clerk was paid the statutory salary as fixed by the Department for Local Government salary schedule.

Finding -

The county clerk was paid \$105,273. The statutorily required salary was \$105,273.

14. Procedure -

Scan lease agreements and service contracts and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized. Determine if liabilities requiring disclosure were properly disclosed on the fourth quarter financial statement.

Finding -

No exceptions were found as a result of applying the procedure.

15. Compliance Procedure -

Verify the county clerk is properly bonded for the period covered by the agreed upon procedures.

Finding -

No exceptions were found as a result of applying the procedure.
