We have performed the procedures enumerated below related to the former Boone County Property Valuation Administrator's (PVA) compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2021 through November 30, 2022.

An agreed-upon procedures engagement involves the APA performing specific procedures that the former PVA has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The former Boone County PVA is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The former Boone County PVA has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the former PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This report may not be suitable for any other purpose.
