Independent Accountant's Report
On Applying Agreed-Upon Procedures

Holly M. Johnson, Secretary, Finance and Administration Cabinet
The Honorable Jonathan Bruer, Carlisle County Property Valuation Administrator
Bardwell, Kentucky 42023

We have performed the procedures enumerated below, which were agreed to by the Finance and Administration Cabinet, Department of Revenue (DOR), and the Carlisle County Property Valuation Administrator (PVA), related to the PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2020 through June 30, 2021. PVA's management is responsible for the compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2021), for all bank accounts, to determine if amounts are accurate.

Finding -

The PVA did not have a receipts and disbursements ledger and does not reconcile bank records to books each month. The June 30, 2021 bank reconciliation was re-performed and is accurate.

PVA's Response: After discussion with the auditor I have a better understanding of the procedure being requested to follow and will implement immediately. I have and do reconcile any outstanding findings every month but procedurally I did not write a zero amount under outstanding when there was no amount outstanding. The ending balance on my statement and book balance were matching. I will immediately start putting zero and the ending balance on every statement as it applies.

2. Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the PVA has accounted for all city receipts.

Finding -

No exceptions were found as a result of applying the procedure.

3. Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

Payments made by the fiscal court to the PVA have been confirmed and were traced from the fiscal court statutory contribution budget account to the PVA's local bank account. The budgeted statutory contribution by the fiscal court was compared to the legally required amounts calculated by the Department of Revenue and the PVA was overpaid \$75.

PVA's Response: Fiscal Court paid the appropriations in full based off of the estimated county appropriation letter they received. The final letter indicated a reduction in \$75 to the estimated letter. I will repay the \$75 overage back to fiscal court and assure they make future appropriations based on the final letter.

4. Procedure -

Select one month (July 2020 - June 2021) and review bank statement(s) to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued.

Finding -

Deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Pre-numbered receipts were not issued. The PVA did not charge for copies under \$10.

PVA's Response: We have only received payment in the form of a check in which I copy for my monthly banking folder. If is a payment accompanying an invoice, I also copy the check with the invoice for this banking folder. I also write what the purchase is for in my ledger. I was unaware the copied check in my banking folder and the amount shown deposited was not sufficient record keeping. We will adjust accordingly.

5. Procedure -

Determine if the PVA has a change fund and document the amount of the PVA's change fund.

Finding -

The PVA does not have a change fund.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.

7. Procedure -

Compare capital outlay disbursements with supporting documentation, bank records, and proper purchasing procedures. Observe newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

The PVA had no capital outlay disbursements.

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

No exceptions were found as a result of applying the procedure.

9. Procedure -

Compare the PVA's final budget to actual disbursements to determine if the PVA overspent in any account series.

Finding -

No exceptions were found as a result of applying the procedure.

10. Procedure -

Determine whether cash balances were properly transferred from the former PVA to the new PVA.

Finding -

Not applicable as no change in the PVA.

11. Procedure -

For PVA office employees hired between July 1, 2020 and June 30, 2021, determine if the Ethics Certification Form has been completed and is on file.

Finding -

Not applicable since no one was hired between July 1, 2020 and June 30, 2021.

12. Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

Finding -

No exceptions were found as a result of applying the procedure.
