We have performed the procedures enumerated below related to the former Clark County Property Valuation Administrator (PVA) compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2022 through December 11, 2022.

An agreed-upon procedures engagement involves the APA performing specific procedures that the former PVA has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The former Clark County PVA is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The former Clark County PVA has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the former PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and findings are as follows:

1. Procedure -

Determine if the former PVA had a receipts ledger, a disbursements ledger, and reconciled bank records to books each month. Re-perform the year-end bank reconciliation (December 11, 2022), for all bank accounts, to determine if amounts are accurate.

3. Procedure -

Confirm all payments made by the fiscal court to the former PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Finding -

No exceptions were found as a result of applying the procedure.

4. Procedure -

Select one month (July 1, 2022 – December 11, 2022) and review bank statement(s) to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued.

No exceptions were found as a result of applying the procedure.

5. Procedure -

Determine if the former PVA has a change fund and document the amount of the former PVA's change fund.

Finding -

The former PVA did not have a change fund.
