Independent Accountant's Report  
On Applying Agreed-Upon Procedures

The Honorable Jim Martin, Fulton County Judge/Executive  
The Honorable Naomi Jones, Fulton County Clerk  
Members of the Fulton County Fiscal Court

We have performed the procedures enumerated below, which were agreed to by the Fulton County Clerk, related to the clerk's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2021 through December 31, 2021. An agreed-upon procedures engagement involves the APA performing specific procedures that the clerk has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The Fulton County Clerk is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose. The Fulton County Clerk has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the clerk's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities. The purpose of the engagement is to assist users in determining whether the clerk complied with the specified requirements. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

7. Procedure -

Determine if receipts are properly accounted for by comparing batched receipts to daily check-out sheets, deposit tickets, receipts ledger, and bank statements for a randomly selected week.

Finding -

Receipts are not being properly accounted for due to receipts not being batched and deposited daily.

*County Clerk's Response: Fulton County Clerk's Office is accounting for ALL receipts daily, as well as depositing ALL collected funds. There are documents to be recorded that come into the office late in the afternoon, or on days that the Deed Room isn't staffed, due to illness, short staffed or backlog of documents to be recorded. The receipts are given to the customer when they hand deliver the document to be recorded. Sometimes these documents are not recorded the same day, due to the reasons listed above. These documents, receipts and monies are locked in a vault until they are processed. This allows for all recorded documents, and daily reports to be balanced. Also, there are documents that are rejected, and the sending institution requests that we hold the documents and form of payment while they send the additional information needed to record. Thus, keeping items from being lost in the mail.*

Auditor's Reply: Adherence to this requirement is legally mandated, not optional, and the Clerk should reallocate resources within the office, perform the work personally, or by other arrangement ensure that the office complies with this and other requirements of the Department for Local Government's (DLG) County Budget Preparation & State Local Finance Officer Policy Manual, as made binding on the Clerk by KRS 68.210.

8. Procedure -

Determine if the county clerk prepared 12 monthly reports for delinquent tax. Test payments to districts for one randomly selected month's delinquent tax disbursements to confirm that payments were made timely and disbursement agreed to the monthly report.

Finding -

No exceptions were found as a result of applying the procedure.

9. Procedure -

Judgmentally select 15 operating disbursements from the county clerk's records and agree amounts paid to invoices or other supporting documentation and cancelled checks. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.
