The Honorable Chuck Dills, Grant County Judge/Executive
The Honorable Brian Maines, Grant County Sheriff
Members of the Grant County Fiscal Court

We have performed the procedures enumerated below, which were agreed to by the Grant County Sheriff, related to the sheriff's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2021 through December 31, 2021. An agreed-upon procedures engagement involves the APA performing specific procedures that the sheriff has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The Grant County Sheriff is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representations regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose. The Grant County Sheriff has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the sheriff's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities. The purpose of the engagement is to assist users in determining whether the sheriff complied with the specified requirements. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.
