MIKE HARMON AUDITOR OF PUBLIC ACCOUNTS

Independent Accountant's Report On Applying Agreed-Upon Procedures

Holly M. Johnson, Secretary, Finance and Administration Cabinet The Honorable David Gambrel, Lincoln County Property Valuation Administrator Stanford, Kentucky 40484

We have performed the procedures enumerated below, which were agreed to by the Finance and Administration Cabinet, Department of Revenue (DOR), and the Lincoln County Property Valuation Administrator (PVA), related to the PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2020 through June 30, 2021. PVA's management is responsible for the compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2021), for all bank accounts, to determine if amounts are accurate.

Finding -

No exceptions were found as a result of applying the procedure.

2. Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the PVA has accounted for all city receipts.

Finding -

No exceptions were found as a result of applying the procedure.

Holly M. Johnson, Secretary, Finance and Administration Cabinet The Honorable David Gambrel, Lincoln County Property Valuation Administrator (Continued)

3. Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

No exceptions were found as a result of applying the procedure.

4. Procedure -

Select one month (July 2020 - June 2021) and review bank statement(s) to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued.

Finding -

The PVA made weekly deposits. It could not be determined if deposits were made daily on amounts of \$250 or more because pre-numbered receipts were not issued.

5. Procedure -

Determine if the PVA has a change fund and document the amount of the PVA's change fund.

Finding -

The PVA has a change fund of \$50.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

Three of the selected 15 disbursements did not agree to paid invoices or other supporting documentation and bank records. Disbursements were determined to be for official business. The PVA does not have a credit card.

PVA's Response: The payments were partial payments as documented.

7. Procedure -

Compare capital outlay disbursements with supporting documentation, bank records, and proper purchasing procedures. Observe newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

Not applicable as there were no capital outlay disbursements.

Holly M. Johnson, Secretary, Finance and Administration Cabinet The Honorable David Gambrel, Lincoln County Property Valuation Administrator (Continued)

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

The PVA's agreement and contract payments agree to cost schedules and the services received were appropriate and for official business; however, one contract was not properly authorized due to the payment not corresponding to the provided invoice amount.

9. Procedure -

Compare the PVA's final budget to actual disbursements to determine if the PVA overspent in any account series.

Finding

Budget to actual disbursements were compared and the PVA overspent in the 200 account series by \$6,392 and the 800 account series by \$28,705.

PVA's Response: Budget amendments had been made but amendments had inadvertently not been forwarded to the Revenue Department. They have since been forwarded.

10. Procedure -

Determine whether cash balances were properly transferred from the former PVA to the new PVA.

Finding -

Not applicable as no change in the PVA.

11. Procedure -

For PVA office employees hired between July 1, 2020 and June 30, 2021, determine if the Ethics Certification Form has been completed and is on file.

Finding -

Not applicable since there were no employees hired between July 1, 2020 and June 30, 2021.

12. Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

Finding -

No exceptions were found as a result of applying the procedure.
