Ball Releases Agreed-Upon Procedures Engagement of Mason County Clerk's Fee Account

FRANKFORT, Ky. – State Auditor Allison Ball released the 2023 agreed-upon procedures engagement of Mason County Clerk Stephanie Schumacher. State law requires the auditor to conduct annual audits of county clerks and sheriffs.

In 2018 the Kentucky General Assembly, following a recommendation by the State Auditor, passed legislation that allows county sheriffs and clerks that met certain criteria to apply for an Agreed-Upon Procedures (AUP) engagement in lieu of an audit of their fee account. The intent of the change, which became effective in July 2018, was to reduce audit costs for sheriffs and clerks who have a history of clean audits, while still maintaining an appropriate level of accountability.

The Mason County Clerk applied for and received approval from the Auditor of Public Accounts (APA) to obtain an AUP engagement for calendar year 2023 in accordance with KRS 43.070(1)(c). AUP reports present the procedures performed and the results of those procedures, called findings. Auditors performed the procedures, which were agreed to by the Mason County Clerk, on receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2023, through December 31, 2023. A summary is provided in the report to present findings for which an exception was identified during the AUP engagement. However, no exceptions were identified in the AUP engagement of the Mason County Clerk.

The county clerk's responsibilities include collecting certain taxes, issuing licenses, maintaining county records, and providing other services. The clerk's office is funded through statutory fees collected in conjunction with these duties.

The agreed-upon procedures report can be found on the [auditor's website](#).
