Independent Accountant's Report
On Applying Agreed-Upon Procedures

The Honorable Craig Clymer, McCracken County Judge/Executive
The Honorable Julie Griggs, Former McCracken County Clerk
The Honorable Jamie Huskey, McCracken County Clerk
Members of the McCracken County Fiscal Court

We have performed the procedures enumerated below, which were agreed to by the former McCracken County Clerk, related to the former county clerk's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2021 through December 31, 2021. An agreed-upon procedures engagement involves the APA performing specific procedures that the clerk has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The former McCracken County Clerk was responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose. The former McCracken County Clerk has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the clerk's compliance with the Department for Local Government's *County Budget Preparation and State Local Finance Officer Policy Manual* regarding the accountability for receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities. The purpose of the engagement is to assist users in determining whether the clerk complied with the specified requirements. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and the associated findings are as follows:

1. Procedure -

Determine if the county clerk has a fourth quarter financial statement, a receipts ledger, and a disbursements ledger.

Finding -

No exceptions were found as a result of applying the procedure.

2. Procedure -

Determine that the county clerk's fourth quarter financial statement agrees to the county clerk's receipts ledger and disbursements ledger. Variances in total receipts or total disbursements that exceed 1% of gross receipts or exceed \$20,000 will be reported.

Finding -

No exceptions were found as a result of applying the procedure.

The Honorable Craig Clymer, McCracken County Judge/Executive
The Honorable Julie Griggs, Former McCracken County Clerk
The Honorable Jamie Huskey, McCracken County Clerk
Members of the McCracken County Fiscal Court
(Continued)

3. Procedure -

Compare the county clerk's operating disbursements (fourth quarter or settlement amounts) to the budget approved by fiscal court to determine if the county clerk overspent the budget.

Finding -

The former county clerk's operating disbursements were compared to the former county clerk's approved budget and the former county clerk overspent her operating budget by \$7,376.

Former County Clerk's Response: This was the result of differences in the proposed budget amount for refunds and the amount actually refunded from the delinquent property tax sale. We ran two budget amendments through fiscal court; however, the second amendment did not pass until after January 1, 2022. We plan to budget more for refunds to prevent this from happening in the future, but should this situation arise again, we will run the budget amendment through court before the end of the year.

4. Procedure -

Determine if the county clerk provided a settlement of excess fees to fiscal court by March 15, 2022 and determine if excess fees were remitted at that time.

Finding -

No exceptions were found as a result of applying the procedure.

5. Procedure -

Obtain a list of accounts prepared by the county clerk that are applicable to the current calendar year.

Finding -

No exceptions were found as a result of applying the procedure. The county clerk maintains fee, usage tax, escrow, and online deposit accounts.

6. Procedure -

Determine if the county clerk reconciles all bank accounts monthly. Re-perform the bank reconciliations for all accounts as of December 31, 2021, to determine the reconciled ending balances and if bank reconciliations are accurate.

Finding -

No exceptions were found as a result of applying the procedure. The balances of the former county clerk's accounts are:

Account Name:	Reconciled Account Balance:
Fee Account	\$ (22)
Usage Tax Account	\$ 0
Escrow Account	\$ 2,521
Online Deposit Account	\$ 4,807

Former County Clerk's Response: This was the result of a check written for \$66.00 and the stub amount written as \$44.00. The check did not clear the bank until after January 1, 2022, therefore, we were unable to determine this discrepancy until after the first of the year. Deputy Clerks in the office have been cautioned to double check their work to the check stub.

7. Procedure -

Determine if receipts are properly accounted for by comparing batched receipts to daily check-out sheets, deposit tickets, receipts ledger, and bank statements for a randomly selected week.

Finding -

No exceptions were found as a result of applying the procedure.

8. Procedure -

Determine if the county clerk prepared 12 monthly reports for delinquent tax. Test payments to districts for one randomly selected month's delinquent tax disbursements to confirm that payments were made timely and disbursement agreed to the monthly report.

Finding -

No exceptions were found as a result of applying the procedure.

9. Procedure -

Judgmentally select 15 operating disbursements from the county clerk's records and agree amounts paid to invoices or other supporting documentation and cancelled checks. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.

Total Receipts	\$ 25,841,813
Total Disbursements	<u>23,412,192</u>
Excess Fees Due County for 2021	2,429,621
Payments to Fiscal Court	<u>2,429,621</u>

11. Procedure -

Finding -

12. Procedure -

Determine whether payroll charges are properly supported by verifying that timesheets are completed, maintained, approved, and support hours paid by inspecting one pay period's timesheets for all employees. (Not applicable to fee pooling counties)

Finding -

Not applicable since the county clerk's office is fee pooling.

13. Procedure -

Determine that the county clerk was paid the statutory salary as fixed by the Department for Local Government salary schedule.

Finding -
