**Independent Accountant's Report  
On Applying Agreed-Upon Procedures**

Holly M. Johnson, Secretary, Finance and Administration Cabinet  
The Honorable Dwight Ross, McCreary County Property Valuation Administrator  
Whitley City, Kentucky 42653

We have performed the procedures enumerated below related to the McCreary County Property Valuation Administrator's (PVA) compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2021 through June 30, 2022.

An agreed-upon procedures engagement involves the Auditor of Public Accounts performing specific procedures that the PVA has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The McCreary County PVA is responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The McCreary County PVA has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2022), for all bank accounts, to determine if amounts are accurate.

Finding -

The PVA did not have a receipts and disbursements ledger. The PVA does not conduct monthly bank reconciliations. The June 30, 2022 bank reconciliation was not completed.

*PVA's Response: PVA agrees there is no receipts and disbursements ledger. Although the monthly bank reconciliation is not calculated on the bank statement, all receipts and disbursements are verified monthly. Bank reconciliations will be performed on the statements from this point forward.*

2. Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the PVA has accounted for all city receipts.

Finding -

Not applicable. McCreary County does not have a city that is a political entity.

3. Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

No exceptions were found as a result of applying the procedure.

4. Procedure -

Select one month (July 2021 - June 2022) and review a bank statement to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued.

Finding -

Deposits were not made weekly at a minimum. Receipts of \$250 or more are deposited daily. Pre-numbered receipts were not issued for all collections.

*PVA's Response: Deposits will be made accordingly from this point forward.*

5. Procedure -

Determine if the PVA has a change fund and document the amount of the PVA's change fund.

Finding -

The PVA does not have a change fund.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.

7. Procedure -

Compare capital outlay disbursements with supporting documentation, bank records, and proper purchasing procedures. Observe newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

The PVA did not have any capital outlay disbursements.

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

No exceptions were found as a result of applying the procedure.

9. Procedure -

Compare the PVA's final budget to actual disbursements to determine if the PVA overspent in any account series.

Finding -

The PVA does not prepare disbursement ledgers. Determination of staying within budgeted amounts could not be completed.

10. Procedure -

Determine whether cash balances were properly transferred from the former PVA to the new PVA.

Finding -

Not applicable as no change in PVA.

11. Procedure -

For PVA office employees hired between July 1, 2021 and June 30, 2022, determine if the Ethics Certification Form has been completed and is on file.

Finding -

No employees were hired between July 1, 2021 and June 30, 2022.

12. Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

Finding -

The PVA did not follow the proper procedures and did not complete the appropriate form for the days the office was closed other than state's approved holidays.

*PVA's Response: PVA shall prepare appropriate forms and submit to DOR as prescribed.*
