**Harmon Releases Agreed-Upon Procedures Engagement of Morgan County  
Sheriff's Office**

**FRANKFORT, Ky.** – State Auditor Mike Harmon today released the 2022 agreed-upon procedures engagement of Morgan County Sheriff Greg Motley. State law requires the auditor to annually audit the accounts of each county sheriff. In compliance with this law, the auditor issues two sheriff's reports each year: one reporting on the audit of the sheriff's tax account, and the other reporting on the audit of the fee account used to operate the office.

In 2018 the Kentucky General Assembly, following a recommendation by the State Auditor, passed legislation that allows county sheriffs and clerks that met certain criteria to apply for an Agreed-Upon Procedures (AUP) engagement in lieu of an audit of their fee account. The intent of the change, which became effective in July 2018, was to reduce audit costs for sheriffs and clerks that have a history of clean audits, while still maintaining an appropriate level of accountability.

The Morgan County Sheriff applied for and received approval from the Auditor of Public Accounts (APA) to obtain an AUP engagement for calendar year 2022 in accordance with KRS 43.070(1)(c). AUP reports present the procedures performed and the results of those procedures, called findings. Auditors performed the procedures, which were agreed to by the Morgan County Sheriff, on receipts and disbursements, excess fees, recordkeeping, and leases, contracts, and liabilities for the period January 1, 2022 through December 31, 2022.

The following exceptions were identified during the AUP engagement:

- **Excess fees due to the fiscal court were recalculated and additional excess fees of \$100 are due to the fiscal court.**

*Sheriff's Response: The official did not provide a response.*

- **Payroll charges were not properly supported by timesheets. Eight timesheets without approval signatures were noted.**

*Sheriff's Response: This was an isolated incident involving one pay period. Though the timesheets were not signed by the payroll clerk, the sheriff reviewed the submitted timesheets for accuracy. All payroll is signed by the sheriff and payroll clerk. The failure of these 8 timesheets to not be signed off on was simply a clerical error. The payroll amounts were correct.*

The sheriff's responsibilities include collecting property taxes, providing law enforcement and performing services for the county fiscal court and courts of justice. The sheriff's office is funded through statutory commissions and fees collected in conjunction with these duties.

The agreed-upon procedures report can be found on the [auditor's website](#).
