Independent Accountant's Report
On Applying Agreed-Upon Procedures

Holly M. Johnson, Secretary, Finance and Administration Cabinet
The Honorable John Frank Gross, Former Perry County Property Valuation Administrator
Hazard, Kentucky 41701

We have performed the procedures enumerated below related to the former Perry County Property Valuation Administrator (PVA) compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2021 through July 31, 2022.

An agreed-upon procedures engagement involves the APA performing specific procedures that the PVA has agreed to and acknowledged to be appropriate for the intended purpose of the engagement and reporting on findings based on the procedures performed. The former Perry County PVA was responsible for compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The former Perry County PVA has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of determining the PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (July 31, 2022), for all bank accounts, to determine if amounts are accurate.

Finding -

No exceptions were found as a result of applying the procedure.

2. Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the PVA has accounted for all city receipts.

Finding -

No exceptions were found as a result of applying the procedure.

3. Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

No exceptions were found as a result of applying the procedure.

4. Procedure -

Select one month (July 2021 - July 2022) and review bank statement(s) to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued.

Finding -

Deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Pre-numbered receipts were not issued.

Former PVA Response: Deposits are made only when a data sale has occurred. We do not have cash transactions in our office.

5. Procedure -

Determine if the PVA has a change fund and document the amount of the PVA's change fund.

Finding -

The PVA does not have a change fund.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

No exceptions were found as a result of applying the procedure.

7. Procedure -

Finding -

No exceptions were found as a result of applying the procedure.

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

No exceptions were found as a result of applying the procedure.

9. Procedure -

Compare the PVA's final budget to actual disbursements to determine if the PVA overspent in any account series.

Finding -

No exceptions were found as a result of applying the procedure.

10. Procedure -

Determine whether cash balances were properly transferred from the former PVA to the new PVA.

Finding -

No exceptions were found as a result of applying the procedure.

11. Procedure -

For PVA office employees hired between July 1, 2021 and July 31, 2022, determine if the Ethics Certification Form has been completed and is on file.

Finding -

No exceptions were found as a result of applying the procedure.

12. Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

Finding -

No exceptions were found as a result of applying the procedure.
