Independent Auditor's Report

To the People of Kentucky  
The Honorable Andy Beshear, Governor  
Holly M. Johnson, Secretary  
Finance and Administration Cabinet  
The Honorable Joe Pat Covington, Scott County Judge/Executive  
The Honorable Tony Hampton, Scott County Sheriff  
Members of the Scott County Fiscal Court

**Report on the Audit of the Financial Statements**

**Opinions**

We have audited the accompanying Scott County Sheriff's Settlement - 2021 Taxes for the period April 16, 2021 through August 31, 2022 - Regulatory Basis, and the related notes to the financial statement.

*Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying financial statement presents fairly, in all material respects, the taxes charged, credited, and paid for the period April 16, 2021 through August 31, 2022 of the Scott County Sheriff, in accordance with the basis of accounting practices prescribed or permitted by the Commonwealth of Kentucky as described in Note 1.

*Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the financial statement does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the taxes charged, credited, and paid of the Scott County Sheriff, for the period April 16, 2021 through August 31, 2022.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Audit Guide for Sheriff's Tax Settlements*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the Scott County Sheriff and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

To the People of Kentucky  
The Honorable Andy Beshear, Governor  
Holly M. Johnson, Secretary  
Finance and Administration Cabinet  
The Honorable Joe Pat Covington, Scott County Judge/Executive  
The Honorable Tony Hampton, Scott County Sheriff  
Members of the Scott County Fiscal Court

### **Basis for Opinion (Continued)**

#### *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As described in Note 1 of the financial statement, the financial statement is prepared by the Scott County Sheriff on the basis of accounting practices prescribed or permitted by the laws of Kentucky to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

### **Responsibilities of Management for the Financial Statement**

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting practices prescribed or permitted by the laws of Kentucky to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting and budget laws. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibilities for the Audit of the Financial Statement**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not an absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Scott County Sheriff's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Scott County Sheriff's ability to continue as a going concern for a reasonable period of time.

To the People of Kentucky  
The Honorable Andy Beshear, Governor  
Holly M. Johnson, Secretary  
Finance and Administration Cabinet  
The Honorable Joe Pat Covington, Scott County Judge/Executive  
The Honorable Tony Hampton, Scott County Sheriff  
Members of the Scott County Fiscal Court

**Auditor’s Responsibilities for the Audit of the Financial Statement (Continued)**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control-related matters that we identified during the audit.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 9, 2023, on our consideration of the Scott County Sheriff’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Scott County Sheriff’s internal control over financial reporting and compliance.

Based on the results of our audit, we have presented the accompanying Schedule of Findings and Responses, included herein, which discusses the following report findings:

- 2021-001 The Scott County Sheriff Did Not Complete His Tax Settlement In Compliance With KRS 134.192
- 2021-002 The Scott County Sheriff Does Not Have Adequate Segregation Of Duties
- 2021-003 The Scott County Sheriff Does Not Have Adequate Internal Controls Over Daily Receipt Processing

Respectfully submitted,

Mike Harmon  
Auditor of Public Accounts  
Frankfort, Ky

SCOTT COUNTY  
NOTES TO FINANCIAL STATEMENT

August 31, 2022

Note 1. Summary of Significant Accounting Policies

A. Fund Accounting

The sheriff's office tax collection duties are limited to acting as an agent for assessed property owners and taxing districts. A fund is used to account for the collection and distribution of taxes. A fund is a separate accounting entity with a self-balancing set of accounts. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

B. Basis of Accounting

The financial statement has been prepared on a regulatory basis of accounting, which demonstrates compliance with the laws of Kentucky and is a special purpose framework. Basis of accounting refers to when charges, credits, and taxes paid are reported in the settlement statement. It relates to the timing of measurements regardless of the measurement focus.

Charges are sources of revenue which are recognized in the tax period in which they become available and measurable. Credits are reductions of revenue which are recognized when there is proper authorization. Taxes paid are uses of revenue which are recognized when distributions are made to the taxing districts and others.

C. Cash and Investments

KRS 66.480 authorizes the sheriff's office to invest in obligations of the United States and of its agencies and instrumentalities, obligations and contracts for future delivery or purchase of obligations backed by the full faith and credit of the United States, obligations of any corporation of the United States government, bonds or certificates of indebtedness of this state, and certificates of deposit issued by or other interest-bearing accounts of any bank or savings and loan institution which are insured by the Federal Deposit Insurance Corporation (FDIC) or which are collateralized, to the extent uninsured, by any obligation permitted by KRS 41.240(4).

D. Preparation of State Settlement

The Kentucky Department of Revenue prepares the settlement relating to taxes collected for the state under the provision of KRS 134.192(2)(a). This is reported as the "State Taxes" column on the financial statement.

Note 2. Deposits

The Scott County Sheriff maintained deposits of public funds with federally insured banking institutions as required by the Department for Local Government's (DLG) *County Budget Preparation and State Local Finance Officer Policy Manual*. The DLG Manual strongly recommends perfected pledges of securities covering all public funds except direct federal obligations and funds protected by federal insurance. In order to be perfected in the event of failure or insolvency of the depository institution, this pledge or provision of collateral should be evidenced by an agreement between the sheriff and the depository institution, signed by both parties, that is (a) in writing, (b) approved by the board of directors of the depository institution or its loan committee, which approval must be reflected in the minutes of the board or committee, and (c) an official record of the depository institution. These requirements were met.

SCOTT COUNTY  
 NOTES TO FINANCIAL STATEMENT  
 August 31, 2022  
 (Continued)

Note 2. Deposits (Continued)

Custodial Credit Risk - Deposits

Custodial credit risk is the risk that in the event of a depository institution failure, the sheriff's deposits may not be returned. The Scott County Sheriff does not have a deposit policy for custodial credit risk, but rather follows the requirements of the *DLG County Budget Preparation and State Local Finance Officer Policy Manual*. As of August 31, 2022, all deposits were covered by FDIC insurance or a properly executed collateral security agreement.

Note 3. Tax Collection Period

A. Property Taxes

The real and personal property tax assessments were levied as of January 1, 2021. Property taxes were billed to finance governmental services for the fiscal year ending June 30, 2022. Liens are effective when the tax bills become delinquent. The collection period for these assessments was October 21, 2021 through April 18, 2022.

B. Limestone, Sand, and Gravel Reserves

The limestone, sand, and gravel property tax assessments were levied as of January 1, 2021. Property taxes are billed to finance governmental services. Liens are effective when the tax bills become delinquent. The collection period for these assessments was February 26, 2022 through August 15, 2022.

C. Franchise Taxes

The franchise tax assessments were levied by the Department of Revenue for various tax years. Franchise taxes are billed to finance governmental services. Liens are effective when the tax bills become delinquent. The collection period for these assessments was April 16, 2021 through April 18, 2022.

Note 4. Interest Income

The Scott County Sheriff earned \$318 as interest income on 2021 taxes. The sheriff distributed the appropriate amount to the school district as required by statute, and the remainder was used to operate the sheriff's office.

Note 5. Sheriff's 10% Add-On Fee

The Scott County Sheriff collected \$46,960 of 10% add-on fees allowed by KRS 134.119(7). This amount was used to operate the sheriff's office.

Note 6. Escrow Account

The sheriff deposited unrefundable payments in an interest-bearing account. The sheriff's escrowed beginning balance was \$2,071 (restated). The sheriff received \$18,062 and had no disbursements resulting in a total ending balance as of August 31, 2022, of \$20,133. The ending balance consists of escrowed of:

2015	\$544
2016	\$317
2019	\$1,210
2020	\$18,062

When statutorily required, the sheriff will turn over the escrowed funds to the Kentucky State Treasurer as unclaimed property.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL  
STATEMENT PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

THIS PAGE LEFT BLANK INTENTIONALLY

**MIKE HARMON**  
**AUDITOR OF PUBLIC ACCOUNTS**

Report On Internal Control Over Financial Reporting And  
On Compliance And Other Matters Based On An Audit Of The Financial  
Statement Performed In Accordance With *Government Auditing Standards*

Independent Auditor's Report

The Honorable Joe Pat Covington, Scott County Judge/Executive  
The Honorable Tony Hampton, Scott County Sheriff  
Members of the Scott County Fiscal Court

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the Scott County Sheriff's Settlement - 2021 Taxes for the period April 16, 2021 through August 31, 2022- Regulatory Basis and the related notes to the financial statement and have issued our report thereon dated February 9, 2023. The Scott County Sheriff's financial statement is prepared on a regulatory basis of accounting, which demonstrates compliance with the Commonwealth of Kentucky's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statement, we considered the Scott County Sheriff's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Scott County Sheriff's internal control. Accordingly, we do not express an opinion on the effectiveness of the Scott County Sheriff's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying Schedule of Findings and Responses, we identified certain deficiencies in internal control that we consider to be material weaknesses and another deficiency that we consider to be a significant deficiency.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying Schedule of Findings and Responses as items 2021-001 and 2021-002 to be material weaknesses.

Report On Internal Control Over Financial Reporting And On  
Compliance And Other Matters Based On An Audit Of The Financial  
Statement Performed In Accordance With *Government Auditing Standards*  
(Continued)

**Internal Control Over Financial Reporting (Continued)**

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the accompanying Schedule of Findings and Responses as item 2021-003 to be a significant deficiency.

**Report on Compliance And Other Matters**

As part of obtaining reasonable assurance about whether the Scott County Sheriff's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matter that is required to be reported under *Government Auditing Standards* and which is described in the accompanying Schedule of Findings and Responses as item 2021-001.

**Views of Responsible Official and Planned Corrective Action**

The Scott County Sheriff's views and planned corrective action for the findings identified in our audit are described in the accompanying Schedule of Findings and Responses. The Scott County Sheriff's responses were not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on them.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Respectfully submitted,

Mike Harmon  
Auditor of Public Accounts  
Frankfort, Ky

February 9, 2023

## SCHEDULE OF FINDINGS AND RESPONSES

THIS PAGE LEFT BLANK INTENTIONALLY

SCOTT COUNTY  
TONY HAMPTON, SHERIFF  
SCHEDULE OF FINDINGS AND RESPONSES

For The Period April 16, 2021 Through August 31, 2022

FINANCIAL STATEMENT FINDINGS:

2021-001 The Scott County Sheriff Did Not Complete His Tax Settlement In Compliance With KRS 134.192

The Scott County Sheriff prepared and submitted an incomplete 2021 tax settlement statement to the Scott County Fiscal Court. The sheriff's bookkeeper prepared a settlement statement that only included Scott County Fiscal Court tax collections and excluded the Scott County School, Library, Health Department, and Cooperative Extension tax districts. This partial statement was filed with the county clerk's office and approved by the fiscal court on September 22, 2022, after the September 1st deadline. The bookkeeper prepared a complete settlement statement to provide to the Auditor of Public Accounts field staff to audit in compliance with KRS 134.192(1) after it was requested and brought to the sheriff's attention.

Due to management oversight, the settlement was not prepared accurately and presented to the fiscal court timely to comply with applicable laws and regulations. The sheriff has delegated most accounting duties to the bookkeeper, with no internal controls in place to verify compliance.

The lack of effective internal controls over financial reporting increases the risk of misappropriation of assets, errors, and inaccurate financial reporting. Additionally, ineffective oversight over financial reporting can result in failure to comply with applicable laws and regulations and result in noncompliance with KRS 134.192.

Strong internal controls dictate effective monitoring by those charged with governance over financial reporting.

KRS 134.192(1) states, "[e]ach sheriff shall annually settle his or her accounts with the department, the county, and any district for which the sheriff collects taxes on or before September 1 of each year."

KRS 134.192(5) states, "[t]he report of the state and local settlement shall be filed in the county clerk's office and approved by the governing body of the county no later than September 1 of each year. The settlement shall show the amount of ad valorem tax collected for the county, the school district, and all taxing districts, and an itemized statement of the money disbursed to or on behalf of the county, the school district, and all taxing districts."

KRS 134.192(2)(b) states, in part, "[o]n request of the governing body of the county or any other district for which the sheriff collects taxes, the department may conduct the local settlement. If no local settlement has been initiated by July 1 of any year, the department may initiate the local settlement on behalf of the county, the school district, and the taxing districts. Upon completion of the local settlement, the department may receive reasonable reimbursement for expenses incurred."

We recommend the sheriff strengthen internal controls and oversight over financial reporting to ensure compliance with applicable laws and regulations. This could include but is not limited to the following:

- The sheriff (or designee) should monitor the annual tax settlement process for risk of noncompliance.
- The sheriff should consider the use of an outside agent such as the Department of Revenue, a Certified Public Accountant, or another qualified party to assist in the completion of the annual tax settlement, if needed.

SCOTT COUNTY  
TONY HAMPTON, SHERIFF  
SCHEDULE OF FINDINGS AND RESPONSES  
For The Period April 16, 2021 Through August 31, 2022  
(Continued)

FINANCIAL STATEMENT FINDINGS: (Continued)

2021-001 The Scott County Sheriff Did Not Complete His Tax Settlement In Compliance With KRS 134.192  
(Continued)

---

*Sheriff's Response: The Department of Revenue advised our office to complete only the state and county settlement to receive our quietus in time to collect 2022 property taxes. Each year we have prepared our settlement in full, and due to schedule conflicts, timing was a key factor in the noncompletion of the settlements for our local districts. So, in this case, we disagree with the auditor's finding. We believe our actions meet the requirements of the program based off advice given by another state department.*

Auditor's Reply: As stated in the finding KRS 134.192(5) states, "[t]he report of the state and local settlement shall be filed in the county clerk's office and approved by the governing body of the county no later than September 1 of each year. The settlement shall show the amount of ad valorem tax collected for the county, the school district, and all taxing districts, and an itemized statement of the money disbursed to or on behalf of the county, the school district, and all taxing districts."

2021-002 The Scott County Sheriff Does Not Have Adequate Segregation Of Duties

---

This is a repeat finding and was included in the prior year audit report as finding 2021-001. The sheriff's bookkeeper prepares daily check-out sheets, daily deposit tickets, signs disbursement checks, and prepares quarterly reports. The sheriff and his staff did not maintain a detailed receipts and disbursements ledger, or document bank statement reconciliations monthly. The bookkeeper did maintain a check register and monitor bank activity online to confirm when checks cleared; however, there was no documented review. The bookkeeper also posts payments to the sheriff's tax software for taxes collected via online processing and those collected by the sheriff's bank, as well as manually tracks franchise payments. Deposits are being taken to the bank by someone other than the bookkeeper, although there is no documentation of by whom. Disbursement checks are completed with a second signature of the sheriff or office manager, although it is not required to validate the check. Further, there is no documentation of review of daily checkout sheets, deposit slips, or bank statements.

According to the sheriff, the sheriff's office has a small administrative staff and the bookkeeper has been delegated to execute most accounting functions. The sheriff has not implemented compensating controls sufficient to offset the control weakness noted.

The lack of segregation of duties increases the risk of misappropriation of assets, errors, and inaccurate financial reporting. By the same employee primarily performing related functions without sufficient oversight and review, the risk increases that errors or fraud may go undetected. Additionally, proper segregation of duties and/or oversight and review protect employees in the course of performing their daily responsibilities. Segregation of duties and the implementation of compensating controls due to limited staff size, is essential for providing protection from asset misappropriation and inaccurate financial reporting. Adequate segregation of duties would prevent the same person from having all the significant roles over various accounting functions. Strong internal controls dictate oversight and review procedures to ensure accountability for public funds.

SCOTT COUNTY  
 TONY HAMPTON, SHERIFF  
 SCHEDULE OF FINDINGS AND RESPONSES  
 For The Period April 16, 2021 Through August 31, 2022  
 (Continued)

FINANCIAL STATEMENT FINDINGS: (Continued)

2021-002 The Scott County Sheriff Does Not Have Adequate Segregation Of Duties (Continued)

We recommend the sheriff implement the segregation of duties over custody of assets, recording function, authorization of disbursements, and reconciliation of book balance to bank balance. If these duties cannot be segregated, then the sheriff should implement compensating controls to strengthen oversight of duties performed by the same person. This could include but is not limited to the following:

- The sheriff (or designee) should review and initial the daily checkout sheet to agree to the daily deposit and initial the deposit slip.
- The sheriff (or designee) should review and initial the monthly receipts and disbursements ledger when compared to the monthly bank reconciliations and bank statements. Documentation of review should be indicated on the bank reconciliation and bank statements as well.
- The sheriff (or designee) should review and initial the monthly bank statements and reconciliations.
- The sheriff should evaluate the potential for increased use of information technologies to strengthen internal controls over financial reporting.

*Sheriff's Response: Due to the small administrative staff within the Scott County Sheriff's Office, there is one employee responsible for both the bookkeeping and accounting responsibilities, which has resulted in this comment each year. To provide both transparency and efficiency, within our organization, and to be compliant with the State Auditor's Office, we are presenting the following recommendations be made to our Fiscal Court:*

*Invest in an additional position within the Scott County Sheriff's Office that is responsible for the accounting duties apart from the Bookkeeper. There is a definite demand for this designated role within our institution and will only become more evident as our county continues to thrive and prosper.*

2021-003 The Scott County Sheriff Does Not Have Adequate Internal Controls Over Daily Receipt Processing

A test of daily checkout sheets found several internal control deficiencies that when taken in total amount to a significant deficiency. No copies of tax bills or list of bills collected were included in the daily collection paperwork and no receipts ledger was maintained for the 2021 tax collection period. There were tax bill payments that were omitted or not recorded in the tax software in a timely manner, including:

- Tax bills in the amount of \$2,756 paid by taxpayers to the sheriff's bank account on December 16, 2021, were not recorded as paid until January 19, 2022.
- Tax bills in the amount of \$22,315 paid by taxpayers online and posted to the sheriff's account on December 17, 2021, were not recorded as paid until January 20, 2022.
- Tax bills in the amount of \$8,885 paid by taxpayers to the sheriff's bank account on January 12, 2022, were not recorded as paid until January 18, 2022.
- Franchise tax bills in the amount of \$436,638 paid on January 18, 2022 were not recorded in the tax software or daily receipts checkout paperwork.

Additionally, there was no documentation of review and approval of daily checkout sheets or deposits.

According to the sheriff, the sheriff's office has a small administrative staff and the bookkeeper has been delegated to execute most accounting functions. Due to management oversight, recording of tax receipts were not promptly recorded. The sheriff has not implemented compensating controls sufficient to offset the control weakness noted.

SCOTT COUNTY  
 TONY HAMPTON, SHERIFF  
 SCHEDULE OF FINDINGS AND RESPONSES  
 For The Period April 16, 2021 Through August 31, 2022  
 (Continued)

FINANCIAL STATEMENT FINDINGS: (Continued)

2021-003 The Scott County Sheriff Does Not Have Adequate Internal Controls Over Daily Receipt Processing  
 (Continued)

---

When tax receipts are not promptly recorded, taxpayers may inadvertently make duplicate payments or appear on the delinquent list mistakenly. Failure to record receipts in a receipts ledger prevents those charged with oversight from having a source document to reconcile the bank statements to. A lack of review of the daily checkout sheets and deposits by someone other than that person preparing these can also result in misappropriation of assets, occurrence of undetected errors, and inaccurate financial reporting. Failure to implement controls resulted in noncompliance with KRS 134.160, 68.210 and the Department for Local Government's (DLG) *County Budget Preparation and State Local Finance Officer Policy Manual*.

Strong internal controls dictate oversight and procedures to ensure accountability for public funds. This includes the maintenance of accurate detailed records such as daily receipts checkout paperwork with a detailed listing of bills paid, a receipts ledger, prompt recording of the payment of bills, and review of daily checkout sheets and deposits by a person that did not prepare them.

KRS 134.160(2)(a) states, “[t]he sheriff shall keep an accurate account of all moneys received and all disbursements made, showing: 1. The amount; 2. The date and time of payment or disbursement; 3. The name of the person making the payment or to whom the disbursement was made; and 4. The account the payment was credited to or the disbursement deducted from.”

KRS 134.160(3) states, in part, “[a]ll payments received by the sheriff shall be entered immediately by the sheriff on his or her books.”

KRS 68.210 gives the state local finance officer authority to prescribe a uniform system of accounts, which sets certain minimum accounting requirements for local officials. The *DLG County Budget Preparation and State Local Finance Officer Policy Manual*, page 64 requires “[b]ooks of original entry for receipts and expenditures and/or utilization of daily cash check-out sheets.”

We recommend the Scott County Sheriff strengthen internal controls over receipts. This could include but is not limited to the following:

- Include a detailed listing of bills paid with the daily checkout paperwork.
- Tax bill payments should be recorded as paid in the tax software within a timely manner
- Franchise collections should be included on the daily checkout sheet paperwork.
- Maintain a receipts and disbursements ledger for comparison to and reconciliation of bank statements.
- Daily checkout sheets and deposits slips should be agreed and initialed by a person that did not prepare them.
- The sheriff should review accounting duties assigned to bookkeeping staff and evaluate the need for additional staff coverage.
- The sheriff should evaluate the potential for increased use of information technologies to strengthen internal controls over financial reporting.

*Sheriff's Response: We will have these items reviewed by the supervisor daily, to provide a better segregation of duties, as recommended by the auditor. This will be implemented immediately.*
