**EXECUTIVE SUMMARY**

---

**PURPOSE AND SCOPE**

The Council on Postsecondary Education and Kentucky Adult Education (KYAE) selected the Simpson County Board of Education's (local provider) for a limited scope performance audit of its administration of the Adult Education Grant for Simpson County. An on-site review was conducted on March 28, 2007 through March 29, 2007 to address the following objectives:

- Reconcile student and faculty data electronically submitted to KYAE with the information retained by the local provider.
- Determine whether the local provider's professional development activities comply with applicable professional development policies and procedures.
- Determine whether local providers' expenditures and costs comply with the terms of their grant agreement and reconcile to invoices submitted.
- Report internal control weaknesses identified during our audit that relate to the audit's objectives.

To accomplish these objectives, the performance audit team reviewed the Policy and Procedure Manual for Kentucky Adult Education, as well as the provider's grant proposal and final agreement with KYAE. During the on-site review, the audit team reviewed the provider's accounting records (trial balance/general ledger), interviewed program administrators regarding internal controls related to the above grants, and tested samples of participant files, personnel files, and expenditure documentation for compliance with applicable requirements.

**No exceptions were noted for this provider.**

**RESULTS AND RECOMMENDATIONS**

**FINANCIAL REPORTING AND COMPLIANCE**

**Scope and Methodology**

The KAE-10 Expenditure Reports were compared to the line item budget approved in the final agreement modification. This comparison was used to determine whether the provider's reimbursements complied with the approved budget.

The KAE-10 Expenditure Reports were then compared to the internally generated financial records maintained by the local provider. This comparison was used to determine whether the local provider's accounting records support the total amount requested for reimbursement on the KAE-10 Expenditure Reports.

**Findings**

No exceptions noted.

**PARTICIPANT ELIGIBILITY AND RECORD KEEPING**

**Scope and Methodology**

Providers are required to submit participant data electronically using KYAE's management information system, AERIN. A total of 60 participants were selected randomly from AERIN. The electronic data was then compared to the documentation maintained in the participant files. We examined the files for the following:

- Proper eligibility documentation.
- Proper assessment testing.
- Evidence to support the achievement of goals/objectives.
- Evidence to support attendance.
- Proper separation from the program when applicable.
- Other requirements were tested based upon the applicable program requirements.

The participants tested received services during the period of July 1, 2005 and June 30, 2006.

**Findings**

No exceptions noted.

**PAYROLL AND STAFF REQUIREMENTS**

Personnel files were examined to verify that staff had received the required professional development training hours. Timesheets were examined for existence and approval. Personnel files were examined to verify evidence of the instructor's bachelor's degree. A determination was made as to whether the employee was included in the staff listing information reported to KYAE.
