Independent Accountant's Report
On Applying Agreed-Upon Procedures

Holly M. Johnson, Secretary, Finance and Administration Cabinet
The Honorable Chad Shively, Taylor County Property Valuation Administrator
Campbellsville, Kentucky 42718

We have performed the procedures enumerated below, which were agreed to by the Finance and Administration Cabinet, Department of Revenue (DOR), and the Taylor County Property Valuation Administrator (PVA), related to the PVA's compliance with the *Fiscal and Personnel Administration Manual for the Office of Property Valuation Administrator* regarding the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts during the period July 1, 2020 through June 30, 2021. PVA's management is responsible for the compliance with these requirements. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (June 30, 2021), for all bank accounts, to determine if amounts are accurate.

Finding -

No exceptions were found as a result of applying the procedure.

2. Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the PVA has accounted for all city receipts.

Finding -

No exceptions were found as a result of applying the procedure.

3. Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

No exceptions were found as a result of applying the procedure.

4. Procedure -

Select one month (July 2020 - June 2021) and review bank statement to determine if deposits were made weekly at a minimum or if receipts of \$250 or more are deposited daily. Choose one week from month selected and determine if pre-numbered receipts were issued.

Finding -

No exceptions were found as a result of applying the procedure.

5. Procedure -

Determine if the PVA has a change fund and document the amount of the PVA's change fund.

Finding -

Not applicable as the PVA does not have a change fund.

6. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

The selected disbursements agree to bank records and were determined to be for official business. The PVA did not maintain an invoice or supporting documentation for 1 out of 15 disbursements tested. The PVA does not have a credit card.

7. Procedure -

Compare capital outlay disbursements with supporting documentation, bank records, and proper purchasing procedures. Observe newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

No exceptions were found as a result of applying the procedure.

8. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

No exceptions were found as a result of applying the procedure.

9. Procedure -

Compare the PVA's final budget to actual disbursements to determine if the PVA overspent in any account series.

Finding -

No exceptions were found as a result of applying the procedure.

10. Procedure -

Determine whether cash balances were properly transferred from the former PVA to the new PVA.

Finding -

Not applicable as no change in the PVA.

11. Procedure -

For PVA office employees hired between July 1, 2020 and June 30, 2021, determine if the Ethics Certification Form has been completed and is on file.

Finding -

No exceptions were found as a result of applying the procedure.

12. Procedure -

Determine if the PVA's office was closed any day other than the state's approved holidays. If so, determine if the proper procedures and forms were completed.

Finding -

The PVA did not follow proper procedures and complete the appropriate form for the five days the office was closed other than state's approved holidays.

PVA's Response: Emails were sent as correspondence to Frankfort letting them know of the CJE's Executive Order to close the building. I was unaware, at that time, that an office closure form was to also be submitted but, since learning of this, this form has been implemented by our office.
