The former Union County Sheriff applied for and received approval from the Auditor of Public Accounts (APA) to obtain an Agreed-Upon Procedures (AUP) engagement for calendar year 2022 in accordance with KRS 43.070(1)(c). AUP reports present the procedures performed and the results of those procedures, called findings. The summary below presents those findings for which an exception (an instance of noncompliance with the criteria) was identified during the AUP engagement.

During the AUP engagement of the former Union County Sheriff, the following exceptions were noted:

- The former sheriff's operating disbursements were compared to the approved budget and the former sheriff overspent his operating budget by \$45,170.
- The December 31, 2022 fee account bank reconciliation was not accurate as it did not include all receivables and outstanding checks at year-end.
- Payroll charges were properly supported; however, one timesheet was not properly approved as it was completed and approved by the same employee.

Findings related to procedures for which there were no exceptions identified, and official responses to exceptions are not included in the summary above, but can be found in the full report. A copy of this report is available on the Auditor of Public Accounts' website at auditor.ky.gov.
