The Honorable Landon Edwards, Adair County Property Valuation Administrator  
Columbia, Kentucky 42728

We have performed the procedures enumerated below, which were agreed to by the Finance and Administration Cabinet, Department of Revenue (DOR), and the former Adair County Property Valuation Administrator (PVA), solely to assist you with the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts for the period July 1, 2017 through November 30, 2018. The Former PVA's management is responsible for the accountability for statutory contribution receipts and disbursements, including capital outlay disbursements, city government receipts, recordkeeping, and leases and contracts. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are as follows:

1. Procedure -

Determine if the PVA has a receipts ledger, a disbursements ledger, and reconciles bank records to books each month. Re-perform the year-end bank reconciliation (November 30, 2018), for all bank accounts, to determine if amounts are accurate.

Finding -

The former PVA had a receipts and disbursements ledger. The former PVA performed monthly bank reconciliations. The November 30, 2018 bank reconciliation was accurate.

2. Procedure -

Confirm all payments by the city to the PVA. Compare recorded city receipts to confirmed payment amounts obtained from city governments. Also compare recorded city receipts to the DOR list of cities to determine if the PVA has accounted for all city receipts.

Finding -

The payments from the cities have been confirmed and agree to the former PVA receipts records. The list of city receipts is complete.

3. Procedure -

Confirm all payments made by the fiscal court to the PVA. Compare the budgeted statutory contribution by the fiscal court to the legally required amounts calculated by the Department of Revenue. Trace the fiscal court payments from the fiscal court statutory contribution budget account to the PVA's local bank account.

Finding -

Payments made by the fiscal court to the former PVA have been confirmed. The budgeted statutory contribution by the fiscal court agreed to the legally required amounts calculated by the Department of Revenue. The fiscal court payments were traced from the fiscal court statutory contribution budget to the former PVA's local bank accounts.

4. Procedure -

Judgmentally select 15 disbursements from PVA records and agree amounts to paid invoices or other supporting documentation and bank records. Determine if the disbursement is for official business. Inspect all credit card statements (if any) to determine if disbursements are for official business.

Finding -

The selected disbursements agree to paid invoices or other supporting documentation and bank records. Disbursements were determined to be for official business. The former PVA did not have any credit cards.

5. Procedure -

Compare capital outlay disbursements with supporting documentation, bank records, and proper purchasing procedures. Observe newly acquired assets. Determine if assets were added to the PVA's Capital Asset Inventory List.

Finding -

Not applicable as there were no capital outlay disbursements noted.

6. Procedure -

Scan vehicle lease agreements, personal service contracts, and professional service contracts for cost schedules and compare to actual payments. Determine if services received were appropriate, for official business, and properly authorized.

Finding -

The former PVA's lease agreement and contract payments agree to cost schedules and the services received were appropriate, for official business, and properly authorized.

Finding -
